## PROFESSIONAL SUMMARY

Enthusiastic and detail-oriented Computer Science undergraduate with hands-on experience in Java, Python, HTML, CSS, JavaScript, SQL, and UI/UX design using Figma. Skilled in full-stack development and problem-solving on platforms like GeeksforGeeks and Skillrack, with a strong foundation in DSA and front-end development. Developed and deployed a personal portfolio website and worked on multiple UI/UX projects in Figma. Completed various certifications in programming and web technologies and gained practical exposure through one internship, with an upcoming UI/UX internship at Envidox Solutions, a startup. Passionate about building user-friendly applications and aiming to grow as a Full Stack Developer.

---

## INTERNSHIP

**Intern, 06/2025 – 07/2025**

**InternPe – Remote (Jaipur, Rajasthan)**

**Java Programming Internship**

**Tools:** Java, VS Code, OOP Concepts, DSA Basics

Gained hands-on experience in Java programming, OOP concepts, and problem-solving.

Implemented mini-projects and coding assignments to strengthen understanding of core Java, DSA, and object-oriented design.

**Intern 08/2025 – 10/2025**

**Envidox Solutions – Remote (Coimbatore, India)**

**UI/UX Design Internship**

**Tools:** Figma, UI/UX Design Principles, Wireframing, Prototyping

Selected for a 3-month UI/UX Design internship to work on real-time projects focused on creating user-friendly and accessible interfaces.

Will contribute to designing wireframes, prototypes, and responsive layouts in Figma, collaborating with developers to bring designs to life.

---

## EDUCATION

**Bachelor of Technology:** Computer Science and Engineering, Expected in 2027

**Manakula Vinayagar Institute of Technology** – Puducherry, India

**CGPA:** 8.9

---

## TECHNICAL SKILLS

---

**Programming Languages:** Java, Python, HTML5, CSS3, JavaScript (ES6+), SQL

**Databases:** MySQL

**Development Tools & IDEs:** VS Code, IntelliJ IDEA

**Design & UI Tools:** Figma, Canva

---

## SKILLS

---

- \* Teamwork & Collaboration
- \* Adaptability & Quick Learning
- \* Communication & Interpersonal Skills
- \* Problem-Solving & Critical Thinking
- \* Creativity & Innovation

---

## PROJECTS

---

### **AI-Based Weather Prediction System | Mini Project**

Developed a real-time weather prediction system using IoT sensors to collect and analyze temperature and humidity data.

Implemented basic AI concepts to predict weather conditions and displayed results through a simple web interface.

Focused on applications in agriculture, transportation safety, and disaster preparedness.

### **UI/UX Projects (Figma)**

**E-commerce Mobile App UI** – Designed a user-friendly shopping app interface with product listings, cart, and checkout flow.

**E-commerce Website UI** – Created responsive website mockups including homepage, product page, and payment page.

**Dashboard UI** – Built an interactive dashboard design with data visualization elements for improved usability.

---

## CERTIFICATIONS

---

### **CCNA: Introduction to Networks**

Manakula Vinayagar Institute of Technology, Cisco Networking Academy

### **Learning Java 11**

Infosys Springboard

### **Introduction to MongoDB for Students**

MongoDB University

### **Introduction to Generative AI**

Google Cloud Skills Boost

### **SQL – Basics (Standard)**

SkillRack

### **Python 3.4.3 Training**

Spoken Tutorial Project, IIT Bombay
